Sanskrit Collegiate School

2019

Percentage: 54.71%

PROJECTS

Smart India Hackathon (SIH) – Crowdsourced Civic Issue Reporting and Resolution System

Problem Statement ID: 25031

Developed a mobile-first civic issue reporting platform enabling citizens to submit real-time complaints with photo uploads, automatic location tagging, and status tracking. Implemented issue categorization and automated routing to appropriate municipal departments along with an administrative dashboard for monitoring and resolution.

Job Portal

Full-stack job portal application enabling interaction between job seekers and recruiters.
